1. INTRODUCTION

MIP Engenharia is one of the companies that make up the MIP Group and its purpose is to enable and execute engineering projects in close collaboration with customers, generating value for all parties involved.

MIP conducts its activities guided by the following values:

- Innovation;
- Seriousness;
- Integrity;
- Security of people;
- Commitment to results;
- Social and environmental responsibility.

All professionals MIP, whether officers or employees, have to be committed to the dissemination and practice of these values.

All, including suppliers, service providers and intermediary agents, must guide their conduct and act, having as a reference the respect that everyone is entitled, without discrimination of any kind and in accordance with the principles established in this Code of Ethics and Conduct.

In case of doubts about the application of the principles set forth herein, employees, suppliers and any other persons representing the interests of MIP should consult their immediate manager or the Compliance Management of the company (e-mail: compliance@mip.com.br).

The background of the page features a grayscale image of an industrial facility, possibly a refinery or chemical plant, with complex piping and structures. Overlaid on this image are several bright orange geometric lines: a thick line forming a large triangle in the upper left, and a thinner line extending diagonally across the page from the top left towards the bottom right.

2. DECLARATION OF PRINCIPLES

Ethics has always been a very strong value in MIP Engenharia and has been the basis of our actions over these more than half a century of existence.

At MIP, our business is conducted according to the highest ethical standards, and our employees are always committed to developing and enhancing organizational culture based on ethics and integrity.

Our Compliance System comprises principles, policies, procedures, and rules that underpin the commitment of all people in the company to integrity.

We believe that there can be no ethical shortcuts in the way of our company, where everyone is proud to work.

We, senior management representatives, reinforce our daily commitment to make business decisions based on ethical and legal principles.

4. GREETINGS OF LAWS, POLICIES AND STANDARDS INTERNAL MIP

It is MIP's commitment to act with ethics, integrity and transparency, in accordance with our principles and values, with the best governance practices and with the current legislation.

For this, all MIP employees and third parties must know and comply with the precepts of this Code and the Anti-Corruption Law, Law No. 12.846 / 2013, in order to better apply it to acts of fraud and corruption committed against companies and / or public administration - national or foreign.

It is also the obligation of all, to know and comply with the other laws applicable to the MIP, as well as the internal policies and standards of the company, knowing them well to better use them, seeking clarification, when necessary, with the Compliance Management and / or legal sector of the company.

5. PROHIBITION OF PRACTICES FRAUD AND CORRUPTION

In MIP, any practice of fraud and corruption, in all its forms, whether active or passive, through acts or omissions, or through the creation and / or maintenance of irregularities, favors or fraudulent practices is prohibited. Therefore, at MIP:

1. It is **PROHIBITED** to use the position, function or influence arising from your work in the MIP for the purpose of obtaining personal advantages, facilities or any other form of benefit or illegitimate benefit for you or for third parties.
2. It is **PROHIBITED** to practice unfair competition, competing unfairly with our competitors, disrespecting their work
3. In business developed by the company, it is **PROHIBITED** to use any form of deception, imposition or constraint.
4. . It is **PROHIBITED** to establish a dishonest relationship without integrity with suppliers and other third parties.
5. It is **PROHIBITED** in any way to fraudulently manipulate or interfere illegally in private and / or public bids and competitions.

6. CONFLICT OF INTERESTS

It occurs when an interest or a personal advantage may interfere with the necessary exemption from judgment or correct execution of the collaborator's works, which conflicts with the interests of the company or with the company's own function within the MIP. It is forbidden to MIP employees:

- Carry out external activities, such as consulting or holding positions, that may characterize competition or conflict with the activities and business of MIP.
- Sell products and / or services to MIP.
- Hire professionals who have a degree of kinship between them, unless it is to work in different sectors, as provided in the Recruitment and Selection of Personnel procedure.
- Grant or accept gifts and / or gifts, as well as any other privilege, gratuity or advantage of any nature, except gifts and / or gifts, limited to the values and purposes established in this Code.

7. GIFTS, SPONSORSHIPS AND DONATIONS

In MIP, it is **prohibited** to accept or offer gifts in order to influence business and commercial decisions of suppliers, customers, third parties or agents public, except in the case of mere courtesy or gifts with no commercial value.

In addition, any donation or social contribution made on behalf of the MIP must follow the rules for sponsorship and donations from the MIP and have the authorization of the competent director.

8. RELATIONS WITH THIRD PARTIES

8.1 CUSTOMERS:

At MIP we seek to generate value for our customers, meeting their expectations and developing innovative solutions.

We transmit clear and true technical information and data about our services.

In MIP it is prohibited to make improper payments to any person in order to facilitate the sale of our services, even if we lose business opportunities.

We guarantee the confidentiality of the confidential information passed on to MIP by our clients.

We have an obligation to comply with our customer's Code of Conduct, as well as our internal policies and standards, and we reserve the right to terminate any business relationship with our customers if their conduct is not in accordance with the provisions of this Code.

8.2 SUPPLIERS AND SERVICE PROVIDERS:

MIP's suppliers and service providers play an important role in compliance actions, so when they begin their activities in the company, they receive an electronic copy of MIP's Code of Ethics and Conduct.

In addition, in the MIP the contracting of any supplier or service provider follows the same criteria and processes without distinction or favor or preferences.

MIP periodically evaluates its third parties, taking into consideration financial aspects, compliance with current legislation, safety, quality, environment, among others. This action aims to mitigate risks to MIP in its process of acquiring goods, materials and services.

MIP contracts with third parties are prepared and validated by the legal sector of the company, in accordance with the laws in force and have contractual clauses that aim to ensure that suppliers and service providers comply with what is established in the MIP Compliance System.

8.3 BUSINESS PARTNERS:

MIP Engenharia will only establish a business relationship with partners who:

- Adopt practices of ethical integrity and conduct;
- Comply with the applicable legislation in the development of its activities and attainment of its contractual commitments.
- Maintain appropriate confidentiality regarding any confidential information that you may acquire as a result of activities performed for or in conjunction with MIP.

MIP will not enter into contractual commitments with Partners who are being prosecuted or have been convicted of acts of fraud and corruption against companies and / or public administration. In the case of convicted companies that have concluded a leniency agreement, the hiring will be evaluated by the Executive Board.

8.4 INTERMEDIATE AGENTS:

In MIP Engenharia is prohibited to all intermediaries, make or receive payments that constitute acts of fraud or corruption, since the MIP can be legally liable, in certain circumstances, for any unlawful acts committed by third parties acting on their behalf.

Are considered intermediaries, consultants, lawyers, brokers or other third parties acting on behalf of the MIP, by proxy or not, in relations with government officials and the private sector.

In order to avoid the hiring of intermediary agents with a history of involvement with corruption or other illegal or unethical conduct, the person responsible for hiring these professionals must follow the Intermediary Agents Procurement Procedure of MIP, prior to hiring.
